Understanding the Charm of Traditional Home Window Styles

Traditional home designs draw inspiration from historic architecture, including Colonial, Victorian, Craftsman, and Georgian styles. The windows in these homes are not only functional but also serve as decorative elements that define the character and period accuracy of the architecture. The most popular window styles in traditional homes include double-hung windows, casement windows, picture windows, and divided-light windows. Each style contributes to the aesthetic appeal and can be customized to suit personal taste and architectural details.
